

Preserves and Conservation Easements

Labeled properties provide daytime public access for low impact recreation.

When you visit: • Stay on designated trails • Daytime and pedestrian use only, unless otherwise marked • Leash your dog • Take nothing • Leave nothing.

Preserves are properties that the Land Bank owns outright.

Conservation / Historic Preservation Easements are privately owned and legally bound to preserve conservation values such as farmland, natural areas, or open space. Easements do not provide public access, unless otherwise noted.

50-year lease from Washington State Dept. of Natural Resources
